

Enjoy tax benefits with a donor-advised fund while helping homeless pets

What is a donor-advised fund?

A donor-advised fund (DAF) is a type of giving program that provides you with the flexibility to support the animals through Brazoria County SPCA while enjoying some favorable tax benefits. It's a great way to simplify your charitable giving.

How does a DAF work?

Simply recommend a gift to Brazoria County SPCA through your donor-advised fund using [DAF Direct](#). You'll be asked to pick the organization to which you'd like to contribute and enter the amount. When you're finished, you'll click "Next" to complete your recommendation.

If you have a donor-advised fund that does not participate in DAF Direct, just ask your financial advisor to designate a gift to Brazoria County SPCA. And please let us know when you do, so we can say thank-you!

Please notify us

When you make a gift to Brazoria County SPCA through your donor-advised fund, we do not receive any information that identifies you as the donor. To ensure that you receive a proper acknowledgement of your gift, info@spcab.org

Thank you for making a DAF gift and for all that you do for homeless pets.
